Application of Duke Energy Progress, LLC for Approval of Proposed Electric Transportation Pilot and An Accounting Order to Defer Capital and Operating Expenses

Docket No. 2018-322-E

Dear Ms. Boyd:

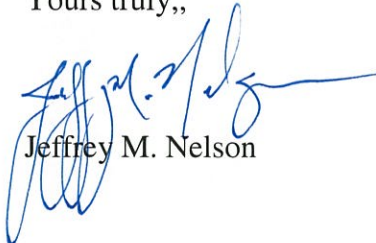

In Order No. 2018-832 the Commission approved the Office of Regulatory Staff's ("ORS's") request for a stakeholder process. Pursuant to ORS's timeline proposed in our comments on December 10, 2018, an agenda was submitted to the stakeholders on December 22, 2018, comments and questions were received from the group by January 10, 2019, and a stakeholder working group meeting was facilitated on January 28, 2019.

In order to give appropriate consideration to the topics discussed and recommendations made in the stakeholder working group meeting, ORS is requesting an extension of the final report due to the Commission of April 1, 2019.
